HISTORICAL SOCIETY.

Annual Meeting in the Y. M. C. A Hall Last Night.

The annual meeting of the Hawaiian Historical Society took place last evening in the Assembly Hall of the Young Men's Christian Association. The meeting was called to order with the president, Dr. N. B. Emerson, in the chair.

After some preliminary business and reports the following officers were Vici kid, elected for the ensuing year:

President, Dr. N. B. Emerson; vice usual supply of presidents, Governor S. B. Dole, Mr. W. F. Allen and Mrs. Kakuana; secretaries, W. B. Alexander and Judge W. F. samurlay evening next at Frear; librarian and treasurer, Miss Burbank.

The following cames were proposed are booking for pretty for membership by Judge Frear: Rev. W. D. Westerveit, Mr. T. F. Sedgwick. Rev. A. M. Smith, Ph. D., Mr. Ernest A. Mott-Smith, Mr. Harold M. Mott-Smith, and as a corresponding member Lieutenant W. E. Safford.

Dr. Emerson gave a most interesting and instructive paper on the Hawaiiac was lost in Hilo, fort and the history connected with it. He gave a description of the fort and machines of all makes its location and dealt at length on the will be sold at Will El, events in the history of the Island which led up to the reasons for building the fort, beginning with the action of Russians in America and the coming of French fleets. The duplicity of the Russians and the treachery of the French acted together to arouse the Alakea street. Order now for the suspicions of Kamehameha. While the fort could hardly be called a very forminds, teals, qualis, turkeys, flour- midable one, yet it had the desired efceiery, cauliflower, feet of showing the spirit of the king etc., at Camarinos, by the Zea- and prevented the foreigners in port from making any concerted attempt to her you noticed the fine display of take possession of the harbor. The docmy and our glassware suitable for tor also dealt at some length with the ed with the history of the fort.

The fort had about forty guns of 6. 8 and 12-calibre and perhaps one or two 22-pound guns. These were mounted i mesquito-proof room in a plastered on the top of the wall on primitive neighborhood and cen- carriages. In 1843, in order to make of is offered for cent.
